YEAR 4 END OF ELECTIVE WORKPLACED BASED ASSESSMENT (WBA)

Dear Designated Assessor:

Please complete and submit this form within two weeks of the end of the elective block.

The overall performance or performance in the domains on this form will not be transferred to the student's Medical Student Performance Record (MSPR) which is part of the CaRMS application package.

If you would like more guidance on how to complete this form, please see "Years 3 & 4 WBA Orientation" module.

Note to the Assessee: For out of province electives, it is your responsibility to ensure submission of a completed form within one week of the end of elective.

ASSESSMENT OF DOMAINS

Please take the time to evaluate the student in the following domains which corresponds with the UBC MD Undergraduate Program (MDUP) Exit Competencies. A full description of the UBC MDUP Exit Competencies expected of a final year medical student for each domain can be found here.

Based on information available through departmental feedback, the designated Assessor checks one of the following in each domain listed:
• **Meets Competency:** The learner has achieved this milestone as it pertains to this Elective.
• **Does not meet Competency:** The learner has NOT achieved this milestone as it pertains to this Elective.
• **N/A:** Not applicable or insufficiently assessed in this Elective.

Location of Elective:

☐ In-province (British Columbia)
☐ Out-of-province or Out-of-Country

Scope of Elective:

☐ This Elective involved direct patient care.
☐ This Elective did not involve direct patient care (for example, research electives).

Medical Expert and Scholar which includes:

	N/A	Does not meet Competency	Meets Competency
*a. Obtain a history adapted to the patient's clinical situation. b. Perform a physical examination adapted to a patient's clinical situation. c.
